LATEST GIMMICK FROM RACE-MIX MADHOUSE:

PRINCE CHARLES IS PRESSURED TO TAKE A BLACK BRIDE

NATIONAL FRONT,
53, Greencroft Towers,
Felling, Gateshead 10.

EVIL. THAT IS THE ONLY WORD TO DESCRIBE THE MOST TWISTED GIMMICK YET TO BE DREAMED UP BY THE SICK MINDS OF THE RACE RELATIONS INDUSTRY.

IN A BID TO STIFLE AN EXPLOSION OF PUBLIC HOSTILITY TO THE MULTI-RACIAL NIGHTMARE, THEY WANT PRINCE CHARLES — OUR FUTURE KING — TO TAKE A BLACK BRIDE!

From all parts of the country the Government, the Parliamentary parties, the Commission for Racial Equality and the Press have been receiving mounting evidence of public hostility to Coloured Immigration and multi-racialism.

The corrupt men and women who comprise 'The Establishment' are getting worried. They are keeping news of the growing crisis from the general public — and have just passed a new Race Relations Law to increase this suppression of information.

But with the rise in support throughout the country for the National Front (the only party in England whose support is growing) the Establishment knows that such suppressive measures as these are doomed.

They have decided that they must produce some stunning gimmick to make the ordinary patriotic British people LIKE mixing with Coloured aliens: to regard race-mixing as not just respectable but as a thoroughly PATRIOTIC activity!

This is where our unfortunate Royal Family comes in. This Silver Jubilee year has been an eye-opener to the cynical cosmopolitan Establishment elite.

They discovered that ordinary folk are still desperate to express ardent patriotism; and that the Royal Family is the focus of that spirit.

Therefore the race-mixers figure: "If the Royal Family symbolises the national family in the minds of these simpletons, then if we want these simple people to accept that the national family is now a MULTI-RACIAL FAMILY, we must see to it that the ROYAL FAMILY IS MULTI-RACIAL!"

TOTALLY DEGENERATE

From that contemptuous willingness to manipulate the sacred symbols of Britain's nationhood and racial identity, comes the totally degenerate but 'logical' conclusion: A rescue operation for deteriorating race relations in Britain could be mounted if Prince Charles were

Charles—Britain's last White monarch?

In another example of race relations gimmickry, the Government got Charles to go to Lewisham, South London, and hob-nob with local Trotskyites and muggers. That fiasco undermined both the standing of the Monarchy and the morale of the Police. Where will the multi-racialist propagandists lead him next... the altar rails?

to take a Black bride and thereby establish a dynasty of half-caste Monarchs.

The race-mixers relish the prospect of King Charles III enthroned beside his Black Queen, with a frizzy-haired pale brown Prince of Wales proudly awaiting his turn at Kingship!

Only last month the anti-Monarchist Labour MP Willie Hamilton 'flew a kite' in a national newspaper suggesting that Prince Charles had a duty to marry a Coloured girl.

Two years ago it was announced that Prince Charles was to be presenter on an 'educational' film which promoted race-mixing. Later, a Buckingham Palace cocktail party

was held for Race Relations Industry officials.

This summer he was sent by the Government to Lewisham in South London where he tried to pacify the hostile West Indian Community by hob-nobbing with Trotskyite Police-haters and muggers.

Is all this part of a public opinion 'softening-up' process prior to a dreadful announcement that Prince Charles will lead a Black bride to the altar?

It is vital that patriots of all parties or of none write letters to Prince Charles NOW imploring him to avoid any scheme which would shatter the standing of the Royal Family as the symbol of the British Race and Nation.

Shirley Williams wants a Black Prime Minister

WHILE the Government is keeping its wish for Prince Charles to marry a Coloured Immigrant a dark secret, Mrs. Shirley Williams — the Labour Government's Education Minister — is quite brazen about her desire to subject Britain to multi-racial degradation.

SHE WANTS A BLACK PRIME MINISTER!

She made this disgraceful admission at a brainwashing session in internationalism and race-mixing for sixth formers organised by the semi-communist Council for Education in World Citizenship and held last January.

The meeting was reported in the March issue of the Race Relations Board broadsheet *Equals*.

She said:

"I hope that one day Britain has a Black Prime Minister. Then we will have overthrown a stereotype that only White men rule things in this country."

9 OUT OF 10 FOR ORIGINALITY!

IMMIGRANT housewife Mrs. Sheila Bonin, 43, is nothing if not original in the excuse she gave to Harrow Magistrates recently to account for her stealing £5.30 worth of goods from a shop in Wembley, North London, on 5th May.

She said the reason she went shoplifting was because she had just been given some National Front leaflets!

It was Polling Day in the GLC elections, she explained, and she was in a hurry to go and vote and had been upset by the NF election leaflet.

The Magistrates were not particularly impressed with her account of the incident, so they fined her £60.

More than half way to our new building so give again!

We need an initial sum of £30,000, so there is still £12,000 to be raised. Our Estate Agents have already found a suitable property, ideal for our purposes, so the remaining sum needs to be raised quickly.

Please be especially generous in this 10th Anniversary year of the National Front. Don't leave it to others. Have you contributed to this most important step forward for the party?

Remember, you can either make a straightforward donation, or you can join the Building Fund Five Year Loan Scheme. This way you loan (not give) the party a minimum of £5.00 for five years. You will receive a special Souvenir Receipt with which you can claim repayment in five years. Cheques should be made out to National Front, and crossed "Building Fund Loan Account."

Branches! Can you contribute from your funds? If fund-raising for the General Election prevents you from contributing a substantial sum, then how about a smaller donation, or the proceeds of the next Branch collection? We are nearly there. WE MUST MAKE THAT EXTRA EFFORT!

FIGHT OR RUN?

WE British like to think that violence is not a part of our political tradition. The notion had an element of truth. But things are changing.

Political violence is becoming rooted in our soil because our nation has been infiltrated by alien political leaders promoting alien political cults.

These people are uninhibited by our traditions and trade on our "bourgeois" instinct to avoid-making-a-fuss-if-at-all-possible to subvert, browbeat and, if need be, physically batter us into submission.

They are now so powerful that they are in a position

to pass Laws in our Parliament to stop us from asserting our rights in our own native land!

The only force in Britain today to stand up against this drift is the National Front. As a result the NF's activities and members are the constant object of violent intimidation and assault. Even our women folk are razed. These increasingly violent attacks are not mindless "happenstances" but a carefully calculated campaign.

If we wish to avoid violence at all costs we will have to surrender unconditionally and disband. But if we desire to survive and seek victory for our cause, we must FIGHT BACK with whatever means circumstances dictate are necessary.

NF News seeks to persuade its readers to feel angry about the evils of multi-racialism and to direct their anger solely to the corrupt politicians who created a racial problem in Britain, and not to the Immigrant people in general. "Racialism" is NOT unlawful - only "racial hatred".

Zionists mobilise Immigrant groups in frantic bid to stop the NF

MULTI-MILLIONAIRE Zionists have given their backing to a move by the Defence and Group Relations Committee of the Board of Deputies of British Jews to organise and finance Coloured Immigrant strong-arm groups as "cannon-fodder" in their vendetta against the National Front.

After seeing to it that the NF has been smeared continually by the Press and TV for the past 10 years, and after backing numerous hooligan demonstrations by Red student mobs against lawful NF activities, the Zionists were horrified last May when they saw that 250,000 people had voted NF in the local elections!

Sick with fear, they abandoned their traditional tactic of keeping in the background so as not to identify themselves in the minds of ordinary people with Coloured Immigrants. They called a meeting in May of the leaders of Black and Asian organis-

Zionist organiser **Martin Savitt** (right), gives his instructions to leaders of Black and Asian Immigrant groups on how to fight the NF.

ations to set up a united front of Immigrants against the NF.

Leading the new liaison organisation is Mr. Martin Savitt, a member of the Board of Deputies Defence Committee and boss of the Zionist dominated Association of Jewish

Ex-Servicemen. Also leading the organisation is the Bronx-born Chairman of the Deputies Defence Committee, Dr. Jacob Gewirtz.

It will be interesting to see how long self-respecting Muslim Immigrants are able to work with the likes

of Dr. Gewirtz.

Dr. Gewirtz is a fanatical supporter of Israel who believes that the slightest Israeli concession to the Arabs to secure peaceful relations would be "weakness". He believes that Israel should rely on armed might, not diplomacy, in her dealings with Arabs.

One of the first meetings of the new group took place in mid-June at the North-West Reform Synagogue Hall, Golders Green, North London. Chairing the meeting was Rabbi Dow Marmur.

On the platform were *Guardian* journalist Martin Walker (whose real name is believed to be Beherens and whose anti-NF propaganda tracts are subsidised by the sinister millionaire Zionists recently ennobled by Sir Harold Wilson); Brent Borough Councillor Karamat Hussein; George Greaves, Lambeth Borough Community Relations Officer; and Greville Janner, MP.

Mau Mau – The soul of African 'Nationalism'

WARNING! Some of the details given in this feature are horrific and disgusting, and should not be read by the immature or sensitive. The facts herein are only for the attention of mature adults with strong stomachs who wish to know the truth

MOST of Africa has now fallen into the hands of savage Black dictators. Countries on the continent that were once making steady progress, under White rule, have now reverted to charnel houses of animalistic depravity.

Rhodesia and South Africa, now the last bastions of White rule – and last remnants of civilisation, order and progress for all their peoples – are now threatened by savages posing as "African Nationalists".

There is no such thing as "African Nationalism". That only exists in the imaginations of Press commentators. The main force behind African politics today, as always, is *tribalism*.

Sometimes the leaders of various sects of African tribalism (the so-called "African Nationalist leaders") exhibit a superficial veneer of "Marxism" or even "Christianity", but their true motives and tactics are deeply primitive.

The most horrific example of African tribalism posing as "Nationalism" was Mau Mau – the

Satanic cult invented by Moscow University graduate Jomo Kenyatta. He is now President of Kenya, but he was convicted on seven different counts of managing Mau Mau and should have been hanged.

Through Mau Mau Kenyatta's Kikuyu tribe was able to secure dominance over all the other tribes in Kenya, and thereby secure a monopoly of Government posts for his own family after "Independence".

The pre-"Independence" Government of Kenya produced an official report on the various types of Mau Mau oaths and ceremonies, which infected – to a greater or lesser degree – 90 per cent of the Kikuyu population.

In the Mau Mau 'Fourth Oath' a

ram was killed and its penis cut off. A ewe was then killed, its vagina cut out and inserted into the vagina of a menstruating woman. The ewe's vagina and the sheep's penis were then passed around the circle of initiates seven times who licked them as they intoned promises to butcher and torture for Mau Mau.

In higher oaths male and female sexual organs and bodily discharges and secretions also featured. In addition, the brains, eyes and hearts of 70 year old men and/or 7 year old boys were ritually chewed.

Such activities are not peculiar to Kenya or the Kikuyu, as recent events from Uganda have proved. We must defend Rhodesia and South Africa from this kind of savagery.

JOHNNY ROTTEN:

'I DESPISE N.F.' (We're shattered!)

MORONIC Punk star Johnny Rotten, vocalist for the Sex Pistols, has dealt what the *Socialist Worker* sees as a death blow to the National Front. He has lent his name to the Marxist crusade against the National Front!

Wow!

The pop star revealed himself as a political thinker of unique inanity in an interview to a journalist from an organisation called Rock Against Racism. (No kidding!)

When asked his opinion of the National Front he said:

"I despise them. No one should have the right to tell anyone they can't live here because of the colour of their skin or the size of their nose."

From this one might think that he was a committed, logical and principled – if wrongheaded – opponent of racism in all its forms. No so.

He is just another boobie who has been brainwashed into simultaneously opposing White racialism and championing Black racism.

When asked about South Africa he said:

"Africa should be Black. Well it is Black except for Rhodesia and South Africa, which is wrong."

According to this gormless ethnomasochist, Blacks have the right to drive all Whites out of Africa (a huge and underpopulated continent urgently in need of technological advance), but White Britons must accept the invasion of their small, overcrowded and technologically-advanced country by millions of Blacks!

As the hysterically funny interview proceeded, Rotten revealed himself for what he truly is, culturally and politically: a White Nigger.

He said:

"I'm White. Not Black. (Grimy grey, actually – Editor) There's no point in pretending I am. I like the Blacks. I let them know I am on their side. But I think they know already."

He concluded:

"Punk Rock is my outlet. If I didn't join the group I would be 'inside' now."

Inside a lunatic asylum.

HOW BRITAIN'S OIL IS BEING SQUANDERED

Britain's oil beneath the North Sea could be the economic salvation of our country. Responsibly used, these enormous reserves of fossil fuel could see us through the looming world energy crisis until alternative technology is developed.

What in fact is going to happen?

Britain's oil is going to be squandered as rapidly as possible for the benefit of foreigners to keep the LAB/LIB/CON circus in power as

long as possible. "Never mind the future – let's take everything to the Pawn Broker and produce yet one more 'economic miracle' to keep us going through the next couple of General Elections!" That's their motto!

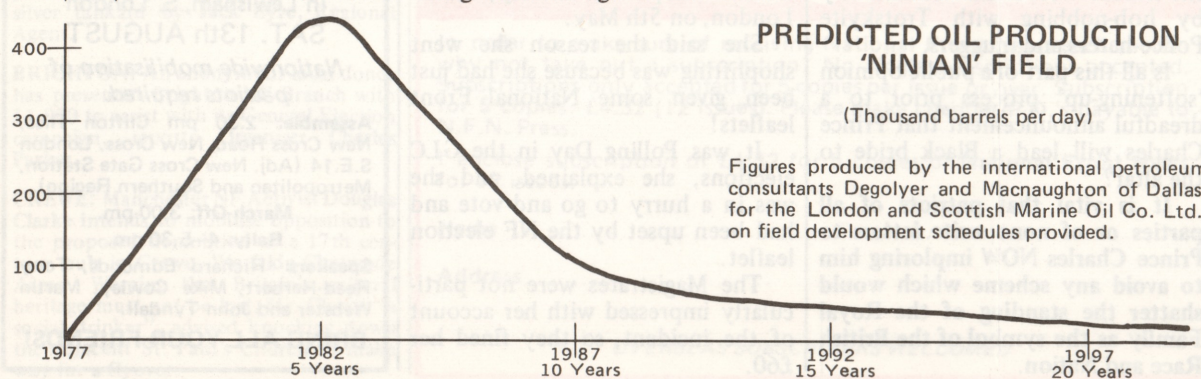

Not only is this vital asset going to be taken to the Pawn Broker – it already has been! At planned rates of extraction North Sea oil will begin to run out in 5 to 7 years, and will be reduced to a mere trickle within 20 years. And yet they still try to con us that everything will be all right ever afterwards

"as soon as the oil begins to flow."

Examine the graph.

It must be stressed that this rush to get as much oil out as possible in the first few years is in no way for the benefit of the British people. The only people to benefit will be the largely American-owned companies to whom it has already been sold.

Lack of foresight in the management of oil used to be deemed the prerogative of the Foolish Virgins. In the case of our present masters the only word which can be used is "Prostitutes".

"Anti-E.E.C. policies vital to NF success" – F. Times

DAVID WATT of the *Financial Times*, writing in the 'Lombard' column on 14th April, concluded that the success of the National Front in the Stechford by-election (in which the NF beat the Liberals with 8.1 per cent) was more due to the anti-Common Market vote than to the anti-Immigration vote.

He said he believed that hardcore NF voters are being joined by a new element of voters who are anti-EEC and who recognise that the NF is the only party, apart from the Left Wing lunatic fringe, which is unequivocally opposed to Britain's membership of the Common Market.

Meanwhile Air-Vice Marshal Don Bennett, the untiring patriotic anti-Common Market campaigner has been conducting a detailed survey of public opinion on the EEC among hundreds of voters in Gloucestershire.

70 per cent oppose the transfer of British sovereignty to a Euro-

Parliament; 52 per cent were unaware that Britain could leave the EEC if Parliament voted to do so; and 68 per cent would vote "NO" were another EEC Referendum to be held.

We've done our best to do a white-wash job on the Poulson Parliamentary corruption scandal. Now I think we should restore public faith in our Labour and Tory pals by running a National Front is undermining Democracy feature!

NF News Nightmare File

A SCREAMING MOB of Black teenagers chased a White girl and her four Black boyfriends into the Widow's Son pub, Bow, East London, on 10th June. Customers were terrorised as the mob hurled lumps of concrete and iron bars through the windows. The violence started at a nearby multi-racial disco.

BLACK VIOLENCE is frightening away custom from pubs in Huddersfield town centre. One pubican stated: "When Black gangs invade a pub they start doing a war dance." A barmaid's husband was attacked and knifed in an alley. Frightened pub manager Colin Dickens said: "My life has been threatened - I dare not venture out without my Alsatian."

FURTHER PROOF that Asians don't adapt to the British way of life was given in a recent report from Birmingham Hospital which revealed that 78 per cent of Asian pupils in three Birmingham schools surveyed had rickets, the disease caused by malnutrition. The problem is caused not by poverty but a refusal to accept medical dietary advice.

WHITE WOMEN are the particular targets of West Indian gangs who are terrorising Handsworth, Birmingham. On 15th March 67 year old Mrs. Florence Horton was attacked from behind and robbed. A few days earlier 16 year old Miss Barbara Fee was robbed at knife-point, and housewife Mrs. Jean Harris's handbag was snatched. On 15th May 27 year old Mrs. Linda Dubberley needed five stitches to an eye wound after a street attack. On 29th May Obert Rowe was convicted of robbing and beating up a woman in Handsworth Park. The woman's eyes were closed by injuries. On 3rd July 50 muggers savagely kicked 71 year old Mrs. Susan Charlton.

SCHOOLBOY MUGGERS are terrorising White Old Folk in the Notting Hill area of West London - scene of West Indian Carnival riots. Local Police have warned old people not to go out (!) after three elderly men were brutally attacked and robbed in a space of two days during June. In one attack 61 year old Mr. Tom Thomas was beaten to the ground, kicked, and robbed. He sustained a broken wrist, a gash that required six stitches, and he has to walk with a frame as the kicking has left him a temporary cripple.

A SPASTIC CRIPPLE Mr. William Frampton was walking with his wife through the Montpelier district of Bristol on Saturday 11th June when they were set upon by two Black thugs. Mrs. Frampton's handbag was snatched and Mr. Frampton was pushed to the ground and robbed. Nearby on the same day a youth attacked 47 year old Mr. Michael Greary and stole his suitcase and cash; and a gang of six youths - three Black, two half-caste and one White - stopped Mr. Leslie Hunt by pretending to ask for directions, punched him to the ground, kicked him and stole 15p.

2 PAKISTANI PONCES beat and tortured 18 year old Linda Heywood into agreeing to become a prostitute, Wakefield Crown Court heard on 26th April. They beat her with sticks, bent her fingers back and burned her hand with lighted matches. One of the men, known as "Charlie" had fled home to Pakistan but the other, Mohammed Razak, was given six months' jail. Also in Yorkshire, Sheffield Police warned of an Asian youth who sexually attacked a 19 year old nurse in the grounds of the Northern General Hospital in mid June. The attack followed a series of indecent exposures by the same youth.

90 YEAR OLD spinster Miss Lily Stapleton was attacked by a vicious teenage mugger in Southall, Middx., on 5th April. Four foot tall Miss Stapleton was rushed to hospital, but surgeons could not operate at once as she was too ill. She had been mugged a year previously and last Christmas thieves stole all her food.

KNIFE FIGHTS broke out among more than 100 West Indian teenagers who gatecrashed a multi-racial schoolgirls' athletics meeting at Wolverhampton Stadium on 23rd May. Organisers halted the meeting for 20 minutes as the bloody brawl spilled onto the track. The hooligans then ran amok outside the stadium.

HORRIFIC MURDERS by insane Blacks have shocked South Londoners this summer. In Peckham a Black youth shouting anti-White slogans ran amok with two razor-sharp knives, killing one passer-by and wounding three others - all White. Also in Peckham, a White man was axed to death by a Black who lodged in the same house. In Battersea Immigrant nurse Gladys Ampedu believed she was "a lion who had to kill a dog that could change into human form". So she stabbed to death two next-door neighbours.

Exposed: TORY 'STOP IMMIGRATION' PROMISES ARE LIES

THE CONSERVATIVE PARTY has recently mounted a desperate propaganda bid to con the public that it is "anti-Immigration". DON'T BE FOOLED! The Tories are just as pro-Immigrant as the Labour Party. They voted for the vicious new Race Relations Act. These confidence tricksters simply aim to exploit the anti-Immigration feeling of ordinary folk to win the next election. Then they will do NOTHING.

Tory leaders like Whitelaw are not actually saying "Stop Immigration". They are carefully giving the appearance of "considering" a stop to Immigration at some unspecified future date.

This is just part of the Tories' long record of lies and deception on Immigration.

TORIES ARE LIARS. In the 1970 General Election, Edward Heath promised that a Tory Government would "restrict the number of Immigrants allowed entry"... "not give them all an automatic right to settle"... "stop new Immigrants going to already overcrowded cities". All these promises were broken. They let in 100,000 Ugandan Asians!

TORIES ARE LIARS. Tory candidate Andrew Mackay told voters in the recent Stechford by-election he was "anti-Immigration", because the NF was fighting the seat. After he won, he made a speech attacking "racialism" and the National Front to the Anglo-Asian Conservative Society.

TORIES ARE LIARS. Willie Whitelaw says repatriation is "not feasible". Yet just recently the Indian Government passed a law to enable Indians expelled from other countries to enter India.

TORIES ARE LIARS. Willie Whitelaw tried to excuse Immigration on the I.R.N. Decision Makers programme recently by saying they had been "encouraged to come". Encouraged by whom? By Tory politicians in a bid to undercut British workers' wages - not by the ordinary British people!

The Black face of Toryism

WHILE pretending to be anti-Immigration, Tory leaders have actually launched a campaign to recruit Blacks to the Conservative Party.

Last year the Tories formed an Anglo-Asian Conservative Society. Tory leader Margaret Thatcher became its President. Society Chairman Narindar Saroop declared that its purpose was to "win over the Immigrant vote" (Daily Telegraph 20.4.76).

Saroop will stand as a Tory Parliamentary candidate at the next election. So will Niranjaw Deva-Aditya, the first Asian to appear on a Tory party TV broadcast.

An Anglo-West Indian Conservative Society was soon formed by Edward Heath and wealthy Jamaican businessman Stewart Weathers, who is vice-president of Lambeth Tory Association. The Society's Chairman, Black Tory Councillor Basil Lewis, stated: "Blacks are Conservatives" (Daily Telegraph 23.10.76).

Another official of the Anglo-Asian Tory Society, Ranjit Singh Kanwar, promised: "We will assist the Conservative Party at all levels... at elections and any other way. Our aim is to promote closer understanding between Asian communities and Conservative party

policy-makers at all levels of Government" (Southall Gazette 16.4.76).

Thatcher is Pro-Immigrant

TORY leader Margaret Thatcher, who once paraded on TV in a blue sari and believes that Asian businessmen are more valuable than the British working class, is a devoted multi-racialist.

In March a sickening letter from Mrs. Thatcher was published in the Indian newspaper New Life. She wrote:

"The task of repairing our fortunes is an enormous one, and one in which both Immigrants, and the new generations of their children, born here, will be needed to play a large part..."

"It is my hope that all our peoples, from wherever they come, will play a full part in our national renaissance. Our country needs all of us."

She also told the chairman of the Greater London Young Conservatives that Immigrant voters must "play a full and active role" in the Tory party.

'Give Leicester to Asians' says top Tory

THATCHER and Whitelaw are the authentic voices of the Tory party. ALL Conservatives, including the so-called "Right-Wing", are fanatical multi-racialists.

At the Conservative CPC Summer School held last month, "Right Wing" Tory Angus Maude told the audience he could see no objection to having Leicester completely occupied by Asians. "It might well become a tourist attraction like Chinatown in San Francisco."

So rotten is the Tory party now that even outcast "Right Wing" MP Ronald Bell took part in an anti-National Front L.W.T. television smear by the Marxist controlled London Programme.

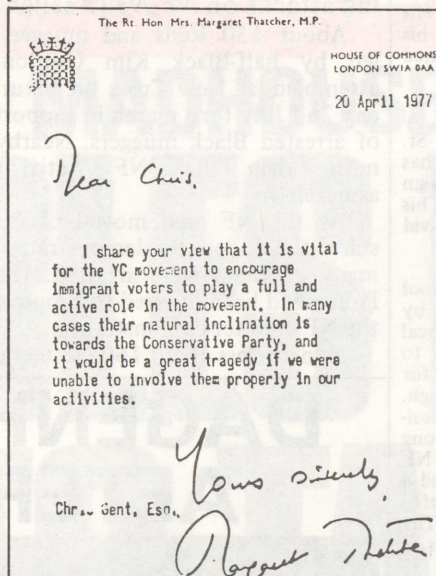

'I've never attacked NF' - Enoch

The only patriotic "true Tory" who has never attacked the NF is Enoch Powell. And we all know what the Conservative Party did to him!

Mr. Powell wrote earlier this year to one of the NF's East London members assuring her that he never had "belittled or smeared any person for being a member of the National Front."

SO IF YOU'RE ANTI-IMMIGRATION, DON'T VOTE FOR THE LIARS AND CHEATS OF THE MULTI-RACIALIST CONSERVATIVE PARTY. VOTE NATIONAL FRONT TO STOP IMMIGRATION AND START REPATRIATION.

Here's the proof:

Here is a photostat of a letter from Conservative leader Margaret Thatcher to Chris Gent, Chairman of the Greater London Young Conservatives. Gent had written to Thatcher demanding that the Tory Party becomes even more brazen in chasing the Immigrant vote. Gent - a typical Y.C. careerist-opportunist - knows that the way to win attention and patronage in today's Tory Party is to be seen to be grovellingly pro-Immigrant. In her reply, Mrs. Thatcher told the young twerp: "I share your view that it is vital for the Y.C. movement to encourage Immigrant voters to play a full and active role in the movement. In many cases their natural inclination is towards the Conservative Party, and it would be a great tragedy if we were unable to involve them properly in their activities." Gent wants Y.C.'s to join Red Mob demos against the NF.

Conservative deputy-leader Willie Whitelaw patronising a member of the Anglo-West Indian Conservative Society at a dance in North London last Autumn. After gorging himself on curried goat ("I've never had this before, but I like it very much - I think I'll have another helping!") he wobbled about to the rhythm of a West Indian steel band. Within days of this event he made a bogus "anti-Immigration" speech in Birmingham in support of the Tory Stechford by-election candidate's bogus "anti-Immigration" campaign.

Margaret Thatcher knows how to switch on gushing smiles for Immigrants when cameras are about! This inane picture was taken during a tour of the Luton Vauxhall factory last year. The Black did not make the placard - it was pinned on him by one of the Tory Central Office public relations men who accompany the Tory leader wherever she goes. When she visited Stechford for a by-election walk-about her P.R. men preceded her by a few seconds and thrust "home made" banners into housewives' hands. Press photos portrayed the housewives as "Mrs. Thatcher's fans!"

Whitelaw crawling for the Immigrant vote again - this time at a recent meeting of the Slough Anglo-Asian Conservative Society. On his right is Slough A.A.C.S. boss Ajit Bharti. White local Tories, including the Mayor of Slough, boycotted the meeting, describing the Society as "racially exclusive" and "tin-pot". The enraged Bharti was smoothed over by Mrs. Thatcher at a dinner at the House of Commons. If these Tory Asians are "British", why do they show big India and Pakistan flags beside a tiny Union Jack?

Blacks flood into Canvey Island

DURING the past 20 years Canvey Island - the Essex holiday town at the mouth of the Thames - received a steady influx of White families from London fleeing from the multi-racial bedlam and seeking a decent environment and education for their children.

Their hopes have now been dashed as news has leaked out that the Government, with the connivance of Canvey Council, has earmarked Canvey as a "dispersal area" for Black Immigrants from Inner London.

A considerable number of Council houses in Canvey have been

kept empty for months - even though 3,000 local people are waiting to be housed.

Mrs. Irene Holdstock, an official of Canvey NF Group investigated and discovered the empty houses have been bought by the Greater London Council "to cope with the Fulham overspill". Fulham is bursting at the seams with Immigrants.

A leading Canvey Conservative, Cllr. Partridge, trembled when Mrs. Holdstock asked him ten weeks ago: "Exactly how many Blacks are to pour into Canvey?" He promised to phone her "with all the gen"

within a few days. She still awaits his call!

Teachers at one of Canvey's primary schools told its few Black and Asian pupils last term: "Next year you will have lots more little Coloured children to play with!"

A West Indian, a Sikh and a Pakistani have been interviewed for teaching posts at the Cornelius Vemuyden Comprehensive School.

So "White Flight" is futile. You can only escape multi-racialism by stopping immigration and starting repatriation. So stop running and start fighting!

FRONTLINE ACTION

WAKEFIELD: Andrew Brons, NF Executive member, caused Wakefield Trades Council to protest when they learned he had addressed 6th formers of Queen Elizabeth Grammar School in May. Headmaster Mr. J. G. Parker replied: "I heard Mr. Brons' arguments, which were about economics as well as social matters. His arguments were closely reasoned, and his language was in fact more restrained than yours."

ENFIELD: A hall-hire ban on the NF by Enfield Council following the NF St. George's Day rally in a local school has been lifted despite a massive campaign by Labour, Red and Zionist groups. "This is a victory for democracy," said David Bruce, Enfield NF Branch Organiser.

CARSHALTON: Tweedale Junior School has been the focus of two campaigns by Sutton NF Branch during June. The local Labour Party held a meeting there to promote a "city farm" as "therapy" for immigrants from outside the Borough. NF Activist members of the local Residents Association led the 200 strong crowd in rejecting the plan. Later, NF Activists Roy Gunn and N. Aston led a parents' outcry against trendy-lefty teaching methods used at the school. The school has achieved no 11+ successes in two years.

NORWICH: Two 17 year old Norwich members show how vital young people are to the NF. During June Alan Kemp did a sponsored cycle ride to Kings Lynn and back and raised £95.50 for Branch funds. Nick Wakelin is editor of a fine NF Regional newspaper, *Anglian News*, £2.00 for 10 issues from 253 Robin Hood Road, Tuckswood, Norwich, Norfolk.

HEMEL HEMPSTEAD: Hemel Branch of the NF booked Warners End Hall for a rally on 24th June at which the main speaker was to be NF News editor Martin Webster. Local M.P. Mr. Robin Corbett was so frantic to stop Mr. Webster speaking that together with local Trotskyites, Communists and Immigrants he threatened to "picket" the hall. This intimidated the owners, who cancelled the booking. Meanwhile, the Hemel Council has voted to allow the NF to hire other premises for a rally to be held in the near future.

SLOUGH: A previous issue reported Slough Borough Council's withdrawal of its grant to the Slough Council for Community Relations because the C.C.R. had bought supplies of Zionist anti-NF smear leaflets in contravention of its "non-party-political" status. In a bid to save the corrupt C.C.R. a sponsored walk was held in Langley Park in July. Local NF members demonstrated against this activity. Slough NF candidate Malcolm Smith told reporters: "We have come here to stir the pot and if it helps to ruin race relations then we will have achieved our purpose."

BODMIN: Young NF members from Bodmin, Ipswich, Gloucester and Cheltenham NF Branches held a successful camp in Bodmin during June. Activities included coastal rambles, horse trekking and excursions to Looe and Tintagel. The event was organised by Ipswich Branch's 21 year old Organiser Anthony Williams. For details of next year's camp write to him c/o Hill House, Huntingfield, Halesworth, Suffolk.

SCUNTHORPE: Labour, Conservative and Liberal parties in Scunthorpe have jointly condemned the establishment of a National Front Group in the city. Their inane protests gave big publicity for the new Group led by John Bassindale.

DOVER: A Communist picket failed to prevent 70 Dover and Deal NF members from hearing their local Parliamentary candidate Nigel Cousins give a rousing anti-Common Market speech at the Biggin Hall, Dover on 25th June. The meeting caused local Labour chiefs to appeal for help from Conservative and Liberal parties to fight the NF.

WOLVERHAMPTON: A rousing "Welcome Home" party was held by Wolverhampton members on 25th June for Branch stalwart Ron Davison, recently released from jail after fighting to defend the NF Coventry by-election candidate Andrew Fountaine who was attacked by a mob of Reds during his campaign last year. Ron was presented with an inscribed silver tankard by Jack Eyre, Regional Agent.

BRIGHTON: An anonymous local donor has presented Brighton NF Branch with £1,000 to assist with its General Election campaign, reports Organiser Charles Parker.

CREWE: Manchester NF Activist Douglas Clarke intends to mobilise opposition to the proposed demolition of a 17th century pub in Crewe, 'Ye Olde Chetwode Arms'. Warning that Britain's cultural heritage must not be lost, Mr. Clarke "a social drinker", advised knocking down the adjacent St. Paul's Church to make way for a flyover.

IN LEWISHAM AND MANCHESTER...

N.F. ACTIVISTS GIVE THE REDS A TASTE OF THEIR OWN MEDICINE

COMMUNIST and Immigrant groups were given a few shocks in July when two anti-White demonstrations — one in Lewisham, South London, the other in Manchester — were opposed by National Front Activists.

In Lewisham, a confrontation between the Socialist Workers Party and the NF had been building up for some weeks following attacks on NF News sellers.

About 150 Reds and muggers, led by half-Black Kim Gordon, assembled at New Cross on Saturday 2nd July for a march in support of arrested Black muggers. Nearby more than 200 NF Activists assembled.

As the NF men moved off to start their counter-demonstration many of them were arrested. The Police had been ordered to suppress the NF counter-demonstration.

Nonetheless about 160 NF mem-

bers got through to the vicinity of the Red column and this caused Kim Gordon to flee for safety down an underground public lavatory! His march was diverted down back streets.

The following Saturday Tom Jackson, the "ex-Communist" boss of the Postal Workers' union, led a motley of Reds, Immigrants and Zionists in an anti-NF demonstration through Manchester.

Teams of Manchester NF Activists harried the column with

barrages of flour, soot and smoke bombs. White shoppers cheered the NF on, and joined in hurling abuse and eggs at the Reds.

As the alien Red rabble passed under a flyover a cart-load of reeking dung was tipped over them!

About 40 NF Activists were arrested at Lewisham, and seven at Manchester. Please support their Defence Fund. See appeal below.

DAGENHAM GIRL SLASHED AFTER ANTI-RED DEMO

ANOTHER Dagenham NF member — this time a young girl — has been brutally attacked by Red terrorists. The victim this time is Miss Elaine Murphy, a 19 year old from Chadwell Heath.

After collecting signatures for an anti-Communist petition on the morning of Saturday 2nd July, Elaine went to the home of her boyfriend, local NF G.L.C. candidate John Roberts, to await his return from the NF anti-mugger demonstration in Lewisham.

At 1.10 p.m., as she climbed the last flight of stairs to his tower block flat she was suddenly set upon by two thugs — one White, a hippy type, the other a frizzy-haired Black.

The White punched her face, bashed her head twice against the wall, then held her up while the Black slashed her on the cheek with a 'cut-throat' razor. After this act of heroism, the two Reds ran off.

This attack took place exactly on the same spot that John Roberts himself was set upon by two thugs

last February. He was smashed in the mouth with a pick-axe handle and hit on the head with an axe. It is probable that the same men perpetrated the attack on Elaine.

The reason for this latest attack is that Elaine, John and other members of Dagenham NF Branch have mounted a widely-publicised campaign to protest against Dagenham Council's decision to spend thousands of pounds on "goodwill exchange visits" with the Soviet Union. The Council refused to spend any cash to celebrate the Queen's Jubilee!

YOUNG NATIONAL FRONT

IN September the NF will hold a rally of NF members and supporters aged between 14 and 25 years of age with a view to setting up a special section of the NF for young people called YOUNG NATIONAL FRONT.

Would any young people (whether or not NF members) please write to the NF for details if they would like to attend, and/or join the YNF.

Undaunted by savage attacks, ELAINE MURPHY and JOHN ROBERTS say: "Red violence won't stop us — or the NF!"

Reds punch 'J.T.' into headlines

VIOLENCE — the ultimate argument of Communism — once again proved to be counter-productive for the Communist cause when applied against the National Front.

On Saturday 11th June NF Chairman John Tyndall went to Edinburgh to hold a conference of Scottish NF Activists with a view to setting up regular NF units.

Prior to that meeting Mr. Tyndall held a press conference. News of

this was leaked by a journalist to local Reds who staged a mini-demo outside.

As Mr. Tyndall emerged from the hotel one of the Reds punched him above the left eye and then ran off.

The dramatic incident resulted in Mr. Tyndall's visit to Scotland, its purpose and NF policies being 'splashed' in all Scottish newspapers for days afterwards!

NEWHAM: N.F. 19% BEATS TORY

JOHN Johnston, NF candidate for Canning Town & Grange Ward of Newham Borough on 14th July beat the Conservative and Liberal candidates to come second behind Labour with 19 per cent in a six candidate contest.

The result was: Labour: 787; NF 260; Conservative: 166; Liberal: 115; Ratepayer: 40; and Ind. Labour: 17.

Another fine result was achieved

in a by-election on the same day for Hudsons Ward of Newham Borough by NF candidate Robert Ray, who achieved 15 per cent.

The result was: Labour 1,024; Conservative: 438; NF: 290; Ratepayer: 103; Liberal: 47 (!).

These two results show that the votes won by the Borough's three NF G.L.C. candidates in May (15, 12 and 9 per cent) were not a fluke. Support for the NF is growing!
